Program logic

Development Goal:

Australia-Oceania Partnerships to support Samoans to realize their potential through rugby and actively respond to gender inequality and violence against women and girls.

Outcome 1:

Players identify and respond to gender inequality and violence against women and girls

Outcome 2:

The rugby ecosystem is high quality, gender equal, safe, inclusive and sustainable

Outcome 3:

Rugby Coaches are technically skilled and trusted role models who demonstrate gender equitable behaviors.

Outcome 4:

Australian, Samoa and Fiji individuals and organizations have stronger relationships and collaboration
